專題報告補充提問

1. 怎麼證明使用者旅行會使用多個APP?
 2. 怎麼證明整合不容易?
 - 資料格式差異大
 - 資訊變動太快
 - 需滿足個人化差異
- 
- 

相關資料

Travelers spend over 5 hours researching trips on average – according to Expedia Group research

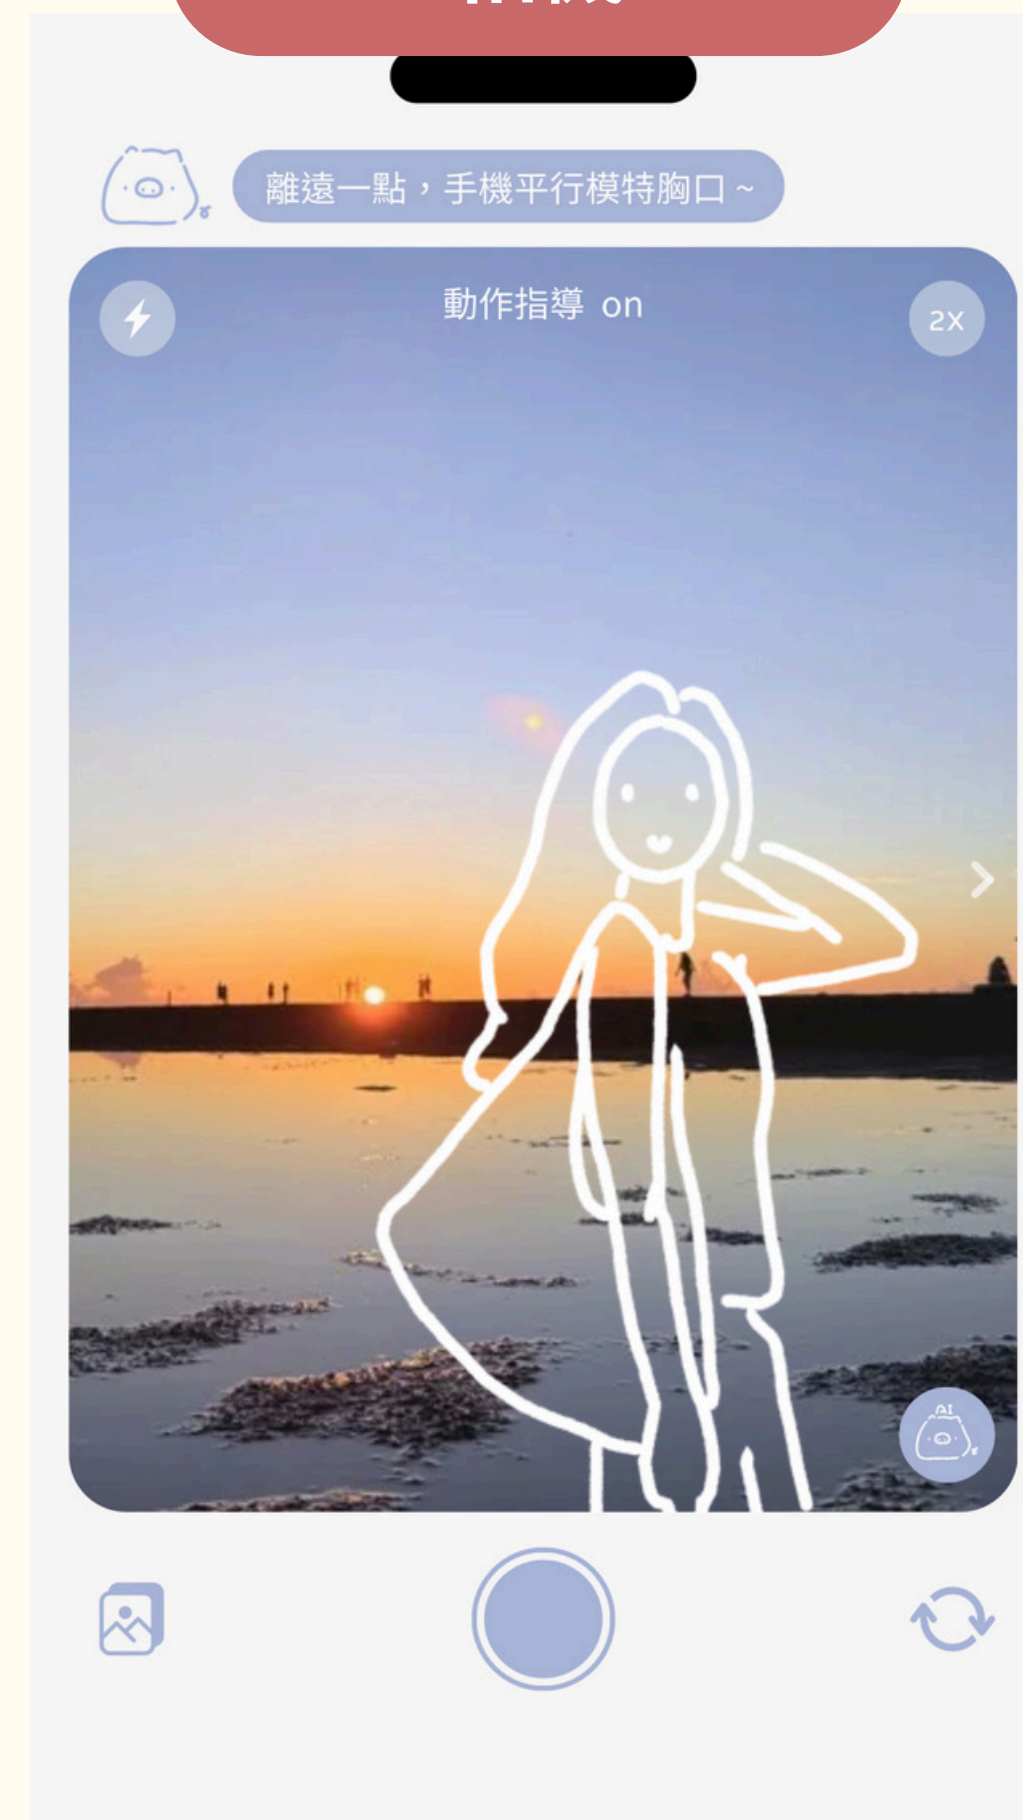

Research from Expedia Group uncovers how and where travelers plan and book travel, revealing the growing role of social media and advertising influence, top online resources, and the new online path to purchase.
